Early Bisbee (Images of America)

Annie Graeme Larkin, Douglas L. Graeme, Richard W. Graeme IV

Early Bisbee (Images of America) Annie Graeme Larkin, Douglas L. Graeme, Richard W. Graeme IV Before Bisbee became a bustling mining camp, it was a haven to Native Americans for centuries. However, their presence brought the intrusion of army scouts and prospectors into the Mule Mountains. The coincidental discovery of vast mineral wealth at the future site of Bisbee permanently affixed the fate of the land forever. Rising from the remote desert was a dynamic mining city, a city that grew into one of the most influential communities in the West. Bisbee was unique in the Old West because of the mixed moral values. High society and the decadent underworld lived in a delicate balance, but a vibrant multicultural community was forged from these social fires.
