História do pensamento geográfico e epistemologia em Geografia (Portuguese Edition)

Paulo R. Teixeira de Godoy

História do pensamento geográfico e epistemologia em Geografia (Portuguese Edition) Paulo R. Teixeira de Godoy
O objetivo deste livro não é suprir as deficiências ou as lacunas da história do pensamento geográfico e, tampouco, adotar o escrúpulo historicista de compreensão de uma história petrificada em narrativas e pontos de vista acerca de problemas científicos que interessam a poucos. Neste sentido, não se trata, fundamentalmente, da história do pensamento geográfico como tradicionalmente se concebe o conjunto de temas relacionados ao desenvolvimento científico da geografia. Se essa fosse a sua finalidade, sua deficiência seria manifesta e o desequilíbrio entre as partes retiraria todo o seu sentido. O seu propósito é o de reunir as contribuições de docentes e pós-graduandos em geografia, em torno de dois grandes eixos temáticos: história do pensamento geográfico e epistemologia em geografia.
