Vera: A Novel

Gabrielle Glancy

Vera: A Novel Gabrielle Glancy

It's kinky. It's trans. And when he/she/it/we/they first made the rounds, the publishing world thought *Vera sizzled too much to take a chance on it. ?Pocket Books rejected the book for being "too literary, on one hand, and too sexy on the other," while Clifford Chase calls it, "A new kind of novel: a love story of ideas, a lyrical romp, a faux mystery with genuine heart."*
We're not in 1999 anymore. Vera has finally come out.
Part Don Quixote bubbling dreamer, part reckless detective, the narrator of *Vera* pilots her way through a murky urban terrain, in search of love and answers. What she discovers in a 1990's San Francisco, stuck somewhere between AIDS and 9/11, is not what she set out to find.
