#4 Truth and Nothing But (The Sharp Sisters) Stephanie Perry Moore

The Sharp sisters are bold, bright, sassy, stylin', and fierce. As the daughters of mayoral candidate Stanley Sharp, all eyes are on them as they attend high school. Every choice they make can make or break their father's campaign—and make or break their own chances for success.

Sloan knows she's destined to be a hard-hitting journalist, and she plans to start her career in high school. Marks High has some major problems and she plans to expose the corruption she sees. However, finding the cold hard facts proves to be harder than she thought. Can Sloan be a voice for the students while writing front-page news, or will she always be stuck below the fold?
