Dyre's TALE: Book 1: THE DEVOURING POOL Andrew Spears
Having been unofficially exiled from his home world for having a dangerously short temper, Dyre, son of Sahn, seeks fortune and glory in the star sea. While traveling on an ark transport ship, he meets a beautiful woman that's all generous curves and stunning eyes, when pirates attack! Now Dyre finds himself caught up in arcane intrigues and foul plots, as he becomes oath-sworn to protect the woman from pirates, evil wizards, and aliens. Dyre's Tale: The Devouring Pool is a dark science/fantasy adventure with elements of horror and erotica. A story of honor and valor, but also a tale of the struggle to control the primitive tendencies inherent in all people. A tale of rage and lust in a universe rife with sex and violence. This is a universe where you must live fast and devour life with sharp teeth, for today may be the very day of your death. How do you want to be remembered?
