Holiness

J. C. Ryle

Holiness J. C. Ryle

John Charles Ryle's best known works have been reissued and widely read over many years. The fine qualities of his writings have ensured that his books are still popular and useful. This volume has become a classic work and is known and loved by many throughout the world.

In days when evangelical preachers are accused of being either superficial or dull, we have here a great example of one who was neither of these things. As Bishop Ryle explains and applies his texts with his customary simplicity and directness, the listener will find his conscience pricked and his soul examined. Ryle addresses hard and trying subjects that most modern evangelicals have chosen to ignore: the power and depth of indwelling sin, the necessity of a holy life, the struggle and fight of faith, counting the cost of following Christ - and that's only in the first five chapters. Ryle's *Holiness* has become essential reading on this most important subject, and the first chapter, "Sin", has rarely been bettered.

J. C. Ryle (1816-1900) was appointed as the first bishop of Liverpool in 1880 and was the leader of the Evangelical Party in the Church of England for more than half a century. He is highly regarded for his plain and lively writings on practical and spiritual themes; their usefulness and impact have been consistently recognized and remain as wise and relevant today as when he first wrote them.
