Wishing to return to his peaceful life and spend more time with his girlfriend, coroner Martin Gänsewein wants nothing more than to rid himself of his foulmouthed undead sidekick, Pascha. Unfortunately, such things are easier said than done. When bodies at the local cemetery begin to turn up sans organs, Martin and Pascha are once again forced into partnership to solve the case. With the stakes higher and body count greater, Martin realizes he has no hope of ever finding solace until he solves one last crime.

Picking up where *Morgue Drawer Next Door* left off, this third chapter in the gruesomely hilarious crime-solving saga delves deeper into the relationship between Martin and Pascha and is sure to please fans of the series.
