In the Defendant's Chair

Lynn Yvonne Moon

In the Defendant's Chair Lynn Yvonne Moon
Imagine tucking your three young children in for the night and making love to your husband by the fire only to wake in a court room several months later accused of the brutal murders of your entire family. With only her young court appointed attorney at her side, Early Sutton argues her innocence while battling for her sanity. But to her lawyer's shock, Early is not the only woman suddenly waking up across America finding themselves as the only suspect, and not one has any memory of their fateful night. In The Defendant's Chair delves into the frightening world of genetic splicing and the twisted plot of the elitists who plan to manipulate the human genome.

The novel examines into the moral, ethical, and medical ramifications of cross genetic splicing of the human race with other living creatures such as animals and insects. Although a few laws have been passed to stop genetic experimentations, only a few countries have have actually made it a punishable offense. How would our civilization react to human crossbreeds and what rights would they have? This novel is appealing to readers interested in government conspiracies and how easily they are covered up so that no one ever suspects that the scientists were successful.

So now let us explain to you the relaxing pattern here is your body and mind is going to be pleased when you are finished studying it, like winning an activity. Do you want to try this extraordinary wasting spare time activity?

Leonard Bartow:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this In the Defendant's Chair can make you feel more interested to read.
