The Morning Watches and Night Watches (Classic Reprint) John Ross Macduff
CjjE Hnrni DgW aklits. in IS little Yolume is designed to form, by the Divine blessing, an humble auxiliary in promoting, what is pronounced in the best of all manu of devotion to be a good thing, the shewing forth of God sloving-kindness in the morning, and His faithfulness every night. (P a xcii. 2.) It may not be out of place to remark, regarding the verse which forms the key-note to each petition 0 Lord, in the mormiig will I direct my prayer unto Thee that the word direct, in the original Hebrew, may literally be rendered, set in order. It refers to the setting in order of the wood for the burnt-sacrifices in the temple of old. While the heart othe believer, according to this beautifhl allusion, is represented as a spiritual altar, on which, morning after morning, he offers the oblation of prayer, this motto-verse may also serve as a magnet to keep the eye fixed, in each successive petition, on the great Antitypical Sacrifice, through whom alone it is that the words of our mouth and the meditation of our hearts are acceptable in the sight of God. Though more strictly designed for private devotion, and therefore expressed in the first person, it is hoped, by the substitution of the plural pronoun, that the following pages may not be inappropriate for the family altar. December 85, 1851. (Typographical errors above are due to OCR software and don't occur in the book.)

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Morning Watches and Night Watches (Classic Reprint) can make you sense more interested to read.
