Luminis Books presents this suspenseful tale of power, secrets, and darkness in a story that transcends time.

In medieval Germany, Hildegard of Bingen was born with a gift--the ability to see beyond this earthly realm. But a gift can also be a burden, especially when Hildegard's vision helps her witness the vicious murder of a monk at the monastery of Disibodenberg.

When the peace of the monastery is shattered by a second gruesome murder, Hildegard seeks the help of Volmar, her trusted scribe. Together, they discover a treacherous plot to seize the Spear of Destiny--a holy relic rumored to bear a curse that haunts anyone who tries to wield its power for their own purposes.

In turn, Volmar and Hildegard are cast into a web of violence and intrigue spawned by the greed of power-hungry noblemen, deceitful clerics, and the ambitions of a secret society sworn to protect the warriors of the Crusades.

Book One of *The Seer and the Scribe* series begins where recorded history is silent, introducing you to the extraordinary lives of Hildegard and Volmar, as they challenge the darkness of this fearful time.
