Uncorked: My Journey Through the Crazy World of Wine Marco Pasanella

Marco Pasanella's behind-the-scenes memoir through the world of wine will captivate wine lovers with its story of one man who decided, at age 43, to change his life by opening a wine shop.

As *Kitchen Confidential* and *Waiter Rant* explored the front and back of the house at restaurants, *Uncorked* offers a peek behind the curtain of the wine world.

Pasanella takes the reader into the underbelly of his store and the industry, which is steeped in history yet fanatical about technology and brimming with larger-than-life personalities.

Infused with rich details of his historic waterfront building in New York City and his sojourns to Tuscany, Pasanella's memoir is one of transformation through a project many fantasize about but few commit to. A colorful cast of characters rounds out this fascinating journey through the world of wine.
