Internacionalização E Desenvolvimento Da Indústria No Brasil (Portuguese Edition)

Mariano Laplane

Internacionalização E Desenvolvimento Da Indústria No Brasil (Portuguese Edition) Mariano Laplane Obra que analisa a notícia impressa, o fotojornalismo e a notícia de telejornal. Para tratar desses "gêneros textuais" associados ao jornal impresso e abordar o telejornal, particularmente o Jornal Nacional da Rede Globo de Televisão, o autor se concentra sobre um conjunto de mediadores externos e internos que atuam no atual modo de fazer jornalismo. Sua visão crítica e distanciada desmascara as aparentes objetividade e isenção idealmente características da atividade jornalística. Coloca o papel central ocupado pela imprensa na sociedade contemporânea, num enfoque de "quarto poder" arbitrário, opressor e manipulador da opinião pública e de instrumento redentor da democratização da informação.
