Perspectives on Satipatthana Analayo
“In this new book, An?layo builds on his earlier ground-breaking work, Satipa??h?na: The Direct Path to Realization. Here, he enlarges our perspective on this seminal teaching by exploring the practices of mindfulness as presented in both the Pali and Chinese versions of this important discourse. The brilliance of his scholarly research, combined with the depth of his meditative understanding, provides an invaluable guide to the liberating practices of the Buddha's teaching." Joseph Goldstein, author Mindfulness: A Practical Guide to Awakening
