1,001 Best Grilling Recipes: Delicious, Easy-to-Make Recipes from Around the World
1,001 Best Grilling Recipes is the definitive book on grilling everything from appetizers to desserts. This second edition of the popular cookbook is enlarged and beautifully repackaged, giving *Grilling* a sleek new design and a broader width that allows the book to stay open to your chosen page for maximum convenience.

Author Rick Browne is known as one of the country's foremost authorities on grilling. The creator and host of the PBS TV series *Barbecue America*, Browne is also the author of twelve cookbooks, most of which deal with barbecue and grilling. In this volume, he's created an encyclopedic collection of recipes drawn from cuisines around the world, with a particular focus on North American and Asian traditions.

Browne begins with a brief primer on basic grilling techniques, but the real substance of this book is the dazzling array of recipes. You'll find dishes everyone can enjoy, including standard grill fare like beef and chicken as well as the more unusual shellfish and wild game. There are plenty of vegetarian options too, and a section for sauces, marinades, and rubs.

Never before have this many great grilling recipes been collected into one tome. If you love to grill — or know someone else who does — this is a must-have resource. It's the only grilling recipe book you'll ever need.
