A Revolution Of Their Own: Voices Of Women In Soviet History

Barbara Engel

A Revolution Of Their Own: Voices Of Women In Soviet History Barbara Engel
The stories of these eight Russian women offer an extremely rare perspective into personal life in the Soviet era. Some were from the poor peasantry and working class, groups in whose name the revolution was carried out and who sometimes gained unprecedented opportunities after the revolution. Others, born to "misfortune" as the daughters of nobles, parish priests, or those peasants termed well-to-do, suffered bitterly as enemies to a new government. The women interviewed here speak candidly about family life, work, sexual relations, marriage and divorce, childbirth and childbearing, and legalized abortion and the underground pursuit of such services after abortion was outlawed in 1936.As no previous book has done, *A Revolution of Their Own* illuminates the harsh reality of women's daily lives in the Soviet Union as well as reveals the accomplishments made possible by the expanded opportunities that the new Soviet government provided for women. Their stories show why many Russian women continue to take pride in the public achievements of the Soviet period despite, or perhaps because of, the painful price each was made to pay.

The inside or content is fantastic as the outside as well as cover. Your reading 6th sense will directly direct you to pick up this book.

Theresa Villarreal:

Within this era which is the greater man or woman or who has ability in doing something more are more important than other. Do you want to become one among it? It is just simple approach to have that. What you must do is just spending your time not much but quite enough to get a look at some books. On the list of books in the top listing in your reading list is A Revolution Of Their Own: Voices Of Women In Soviet History. This book that is certainly qualified as The Hungry Slopes can get you closer in becoming precious person. By looking upward and review this book you can get many advantages.

Louise O\'Neill:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this A Revolution Of Their Own: Voices Of Women In Soviet History can make you feel more interested to read.
