Rebels #6

Brian Wood

Rebels #6 Brian Wood
Seth Abbott started off a young, idealistic woodsman, but as the War of Independence draws to an end, its a battle-hardened man that returns home to his wife. But is it that simple to lay down the rifle and return to the way things were? The first arc of Rebels draws to a close! Doesnt shy away from exploring stickier issues like class divides, the role of women in the colonies, and the complex distinction between friend and foe.Â•Vulture Poignant and so incredibly powerful.Â• -PopMatters
