Writing Game: A Comedy

David Lodge

Writing Game: A Comedy David Lodge
David Lodge's first full-length play examines that curious fixture in the writing game where the amateurs meet the professionals – on a course in creative writing. Maude, author of nine bestsellers, and Simon, with one sensational success to his name, are veterans of this particular course: Leo, a campus-based American novelist astounded by the dilettante approach of the English, is the odd man out.

The idea is to put the students under pressure, but in the converted barn that houses the tutors, professional and sexual tensions, past slights and current rivalries rapidly build to a fierce head of steam. Out of these pressures, David Lodge distils a sharply observed comedy of the problems and preoccupations of the writer as the professionals, striving to explain to enthusiastic beginners how to do it, are forced to confront an altogether trickier question: why on earth do they themselves write in the first place?

Delicately probing, nimbly parodic, uncomfortably on target, Lodge's incisive study of writers at work and at odds will bring the pleasure of recognition to all readers of fiction – and to most of those in the game.

From reader reviews:

Jacob Smith:

As people who live in the actual modest era should be update about what going on or data even knowledge to make these keep up with the era that is certainly always change and move ahead. Some of you maybe will certainly update themselves by examining books. It is a good choice for yourself but the problems coming to you actually is you don't know which you should start with. This Writing Game: A Comedy is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Michael Joslyn:

Nowadays reading books become more than want or need but also get a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge even the information inside the book which improve your knowledge and information. The details you get based on what kind of reserve you read, if you want attract knowledge just go with training books but if you want experience happy read one along with theme for entertaining including comic or novel. The actual Writing Game: A Comedy is kind of e-book which is giving the reader unstable experience.

Dana Martin:

Reading a book being new life style in this year; every people loves to go through a book. When you examine a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, such us novel, comics, in addition to soon. The Writing Game: A Comedy offer you a new experience in studying a book.

Ella Hodge:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many problem for the book? But just about any people feel that they enjoy regarding reading. Some people likes reading, not only science book but in addition novel and Writing Game: A Comedy or even others sources were given know-how for you. After you know how the fantastic a book, you feel would like to read more and more. Science e-book was created for teacher or maybe students especially. Those textbooks are helping them to put their knowledge. In different case, beside science guide, any other book likes Writing Game: A Comedy to make your spare time a lot more colorful. Many types of book like here.
