*"It's hard for me to admit, but you're not the son I once knew..."*The obliterated battlefields of Spain are a world away from the privileged life of James Montague, Earl of Castonbury. But before the sheets cool from their scorching wedding night Jamie leaves for a brutally dangerous mission...

Two years later, believing her husband dead, Catalina is shocked to see a man who looks and sounds like her Jamie at Castonbury—but where once there was warmth and charm now unflinching torment lies in the gaze of a man she barely recognises...
