Interdisciplinary Connections to Special Education: Important Aspects to Consider (Part A): 30 (Advances in Special Education) Festus E. Obiakor
This two-part volume addresses the specific area of interdisciplinary connections within special education research. Special education has transformed as a result of legislation, new trends and current research investigations. Currently, there is no comprehensive resource that effectively covers these advances. Part A sets the agenda for this two-part volume by addressing the challenge of why an interdisciplinary understanding is necessary and also outlines the benefits of adopting a multidisciplinary framework.
