Love Came Unexpectedly Ruth Scofield

Nurse and former foster child Sunny Merrill was stunned when she inherited a fishing resort from the grandfather she'd never known. And there was a condition: she must live there for one year. Which wouldn't be a hardship for Sunny, especially not after she met handsome neighbor Grant Prentiss. The rancher and riding stable owner was always around to lend a helping hand, and their relationship blossomed. Sunny even began dreaming about a future in which they could combine their properties-and lives-and build a getaway for foster children. But would their unexpected love be destroyed when Sunny discovered the secret Grant was keeping from her?
