A Step In Time Kerry Barrett

‘This is a great book and **for fans of *Strictly Come Dancing* it’s an absolute must-read**. It’s FAB-U-LOUS darling…’ - Louise Reviews

The time of her life!

Following a (totally justified) ugly, public brawl with her love-rat boyfriend, soap star and paparazzi darling Amy Lavender's TV career is over.

Her agent assures her that winning a glitzy dancing TV competition will put Amy back on top. But Amy has two left feet, and her hot dance partner Patrick seems to think that she's behaving like a superficial spoiled brat (also totally justified).

At rock bottom, Amy is now living in a rented room when she encounters her upstairs neighbour, an elegant older lady with a mysterious, tragic air who knows more than a thing or two about the foxtrot.

But it'll take more than a couple of dance lessons to get Amy back on the leaderboard and ready to cha cha cha her way to glitterball glory!
