A fresh, new look for the bestselling Firstborn series—the second installment in the continuing Baxter Family Drama from America's number one inspirational novelist, Karen Kingsbury. Revisit the Baxter family in all their life-changing events, or share the series with someone who hasn't discovered it yet.

In the wake of finding his firstborn son, John Baxter looks for a way to tell his other children the truth about a secret he's kept from them all their lives. At the same time, a sensational Hollywood trial brings Dayne Matthews and Katy Hart together again, this time in a very public way. Just when it seems they have a chance at love, doubts and presumed scandals place them farther apart than ever. In the midst of this crisis, one truth is clear for all of them—never in their lives has family been more important.
