**Dark Light of the Soul** Kathryn Wood Madden

*Dark Light of the Soul* explores the inner journeys of Jacob Boehme, the seventeenth-century Protestant mystic, and C.G. Jung, the twentieth-century depth psychologist. Each was concerned with the immediacy of experience, yet comprehended the importance of spirit as a transforming presence in human life. Kathryn Wood Madden connects the experiences of these two pioneers, focusing on a "ground of being that contains all opposites in potentiality." She examines those experiences from the perspective of depth psychology and religion, offering meaningful insights for anyone on a path of inner development, as well as for professionals in clinical settings.

"If, as I contend, a unitary reality underlies all psychological experience, then as clinicians we ignore the 'spiritual realm and the divine' at the risk of the total psychic health of those in our care" ?**Kathryn Madden**

*Dark Light of the Soul* will be of interest to all therapeutic clinicians and anyone who wishes a deeper understanding of and fresh paths into the human psyche.
