The Prince of Providence: The True Story of Buddy Cianci, America's Most Notorious Mayor, Some Wiseguys, and the Feds Mike Stanton
A New York Times Bestseller

A classic story of wiseguys, feds, and politicians on a carousel of crime and redemption. Buddy Cianci was part urban visionary, part Tony Soprano -- a flawed political genius in the mold of Huey Long and James Michael Curley. His lust for power cost him his marriage, his family, and close friendships. Yet he also revitalized the city of Providence, where ethnic factions jostle with old-moneyed New Englanders, and black-clad artists from the Rhode Island School of Design rub shoulders with scam artists from City Hall.
