A Sociedade de Educação de São Paulo: embates no campo educacional (1922-1931) (Portuguese Edition) Ana Clara Bortoleto Nery
Na década de 1920, algumas instituições organizaram-se com o intuito de legitimar a atuação de seus associados no campo educacional que estava se estruturando, como ocorreu com a Sociedade de Educação de São Paulo, que foi fundada com a finalidade de congregar membros do magistério em seus vários níveis, dos setores público e privado, com ideias e interesses comuns, tendo uma intensa atuação no cenário educacional do período. A obra pretende recuperar aspectos da criação e do funcionamento da Sociedade de Educação, seu papel e posição na estruturação do campo educacional. A partir deste estudo, veremos quais são as principais questões discutidas no âmbito da entidade e ainda quem eram seus membros.
