Hello, America

Livia Bitton-Jackson

Hello, America Livia Bitton-Jackson
The year is 1951 and eighteen-year-old Elli and her mother arrive in New York City. Finally they can leave behind bitter Holocaust memories and become *real* Americans! From office filing all day, to the challenge of night school, to interpreting the intentions of Alex, a handsome and persistent doctor, Elli soon finds learning English is only half as hard as "making it" in this new world.

Against a backdrop of soda shops, skyscrapers, and subways, acclaimed author Livia Bitton-Jackson fuses old-world tradition and modern dreams, in this vivid kaleidoscope of immigrant America.

From reader reviews:

Peggy Hahne:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each reserve has different aim as well as goal; it means that guide has different type. Some people truly feel enjoy to spend their time for you to read a book. These are reading whatever they have because their hobby is usually reading a book. Why not the person who don't like studying a book? Sometime, individual feel need book if they found difficult problem or even exercise. Well, probably you will need this Hello, America.

Victor Shepard:

The book Hello, America can give more knowledge and information about everything you want. Why then must we leave the good thing like a book Hello, America? Wide variety you have a different opinion about book. But one aim that will book can give many details for us. It is absolutely suitable. Right now, try to closer with your book. Knowledge or info that you take for that, you can give for each other; you could share all of these. Book Hello, America has simple shape but you know: it has great and massive function for you. You can appear the enormous world by open and read a guide. So it is very wonderful.

Richard Cary:

A lot of people always spent their free time to vacation or perhaps go to the outside with them household or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. In order to try to find a new activity this is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you read you can spent all day every day to reading a guide. The book Hello, America it is very good to read. There are a lot of those who recommended this book. These folks were enjoying reading this book. If you did not have enough space bringing this book you can buy the e-book. You can m0ore simply to read this book from the smart phone. The price is not too expensive but this book features high quality.

George Conner:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you might have done when you have spare time, in that case why you don't try thing that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Hello, America, you may enjoy both. It is very good combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't have it, oh come on its known as reading friends.
