The **Miskatonic University Library Association** fosters new talent in literature and the arts. M.U. Monographs are works in which the author has performed most or all editorial and layout functions of this book. It has not been otherwise edited or modified. The trustees deem that this work offers significant value and entertainment to our patrons and fans of the *Call of Cthulhu* roleplaying game.

PLEASE NOTE: This work was written by a native of Hungary for whom English is not his primary language. This work thus exhibits a charm akin to that of reading the real *Necronomicon*--at once maddening and illuminating.
